

Explore Fossils with a Real Paleontologist, Dr. Pamela Owen

**Tuesday, June 7
11:30 am & 1:00 pm**

**Do you like fossils? Are you a big fan of the dinosaurs?
Then this program is for you!**

Because Dr. Owen has proven so popular in the past, we will have two identical programs to give everyone a chance to get up close and personal with the fossils. (Recommended for ages 5 and older)
